PRESS RELEASE**Date: 30th May, 2025****PRAKASH PIPES LIMITED****FINANCIAL RESULTS FOR THE YEAR ENDED 31ST MARCH, 2025**

During the year, the Company has achieved Net Sales of ₹ 780 Crores and Operating Profit of ₹ 118 Crores, reflecting growth of 17% and 10% respectively over the previous financial year. Profit after Tax for the year is ₹ 83 Crores, resulting an EPS of ₹ 34.74.

Keeping in view the performance of the Company, the Board of Directors **recommends a dividend of 24% i.e. ₹ 2.40 per Equity Share of ₹ 10 each.**

PVC Pipes & Fittings Division

During the year, the division has achieved sales volume of 42,632 MT registering growth of ~3% over the last financial year despite weak demand scenario due to lower infra spending than envisaged and consequent destocking in the distribution pipeline.

However, going forward the increased capex spending by the Government and improved rural consumption supported by a strong cropping season shall boost the demand for the PVC products.

Flexible Packaging Division

During the year, the division registered its highest sales volume of 15,458 MT registering growth of ~28% over the last financial year despite slowdown in FMCG sector on account of escalating input costs and high food inflation. In view of the highly competitive domestic market, the division is focusing more on exports to maintain its sales volume and margins in the ensuing quarters.
